

# WASTELINE

A Publication for GreenWaste Recovery Multi-family Customers

Spring 2017

## Electronic Waste Collection

Many products we use around the home are not permitted in the garbage as they can pose hazards to our local environment (land, air, water, wildlife) and the people who pick up your garbage. These products require special care for disposal. To help protect you and your community, we offer an expanded recycling program that includes free small e-waste collection services to our customers, to prevent harmful metals and elements from contaminating our natural resources.

Many small e-Waste items are accepted in the recycling container.

Examples include:

- Small Appliances
- Calculators
- Cameras
- Computer Mice
- Inkjet Cartridges (bagged)
- Keyboards
- PDAs
- Phones

*Remove any batteries and recycle those separately*

## MRWMD Household Hazardous Waste (HHW) Facility

For other hazardous items, safe disposal is available via drop-off at no cost to residents of the Monterey Peninsula at the HHW Facility at the Monterey Regional Waste Management District, two miles north of Marina. Items accepted include many household cleaning products, antifreeze, paints, solvents, pesticides, fertilizers, chemicals, fluorescent light bulbs, and more. For details about what is accepted at the MRWMD visit [www.mrwmd.org](http://www.mrwmd.org) or call 831.384.5313. Open Tuesday through Saturday, 9 a.m. – 4 p.m.

# Recycle Guidance: Shredded Paper!

## RECYCLE SHREDDED PAPER

Shredded paper can be placed in your blue recycle container – but special steps must be taken. Put your shredded paper in a plastic or paper bag and tie, staple or tape the bag securely before placing the bag in your recycle cart. Securely bagging the shredded paper is an important step to prevent the little bits of paper from flying away and littering your community.

## OTHER SHREDDED ITEMS

Please remember that shredded credit cards, CDs and DVDs cannot go in with the shredded paper for recycling. These materials should be shredded separately and placed in your garbage bin. Non-shredded CDs and DVDs can be placed whole into your recycling container.

## Regular Collection Service on Upcoming Holidays

GreenWaste WILL be providing regular collection service on the following holidays:

**Memorial Day,**  
Monday, May 29th

**Independence Day,**  
Tuesday, July 4th

## Green Kids

### HHW MAZE

These residents do not know where to take their household hazardous waste (HHW). Will you show them the way?
