COLLECTION SERVICES

STANDARD CURBSIDE RESIDENTIAL SERVICES

COMPOST: Standard service is one 96 gallon green compost cart. Service is also available in 20, 32, or 64 gallon carts.

RECYCLE: Standard service is one 64 gallon blue cart. Service is also available in 32 or 96 gallon carts.

LANDFILL: Standard service is one 32 gallon cart. If you need additional capacity, you may obtain a 64 or 96 gallon cart. The minimum service is a 20 gallon cart (mini-can).

PHYSICAL LIMITATIONS PROGRAM

Back/side yard service will be provided to customers with physical limitations at no additional charge. To request a physical limitations application, contact Customer Service.

HOLIDAY SCHEDULE CHANGES

Collection will not occur on New Year's Day (January 1), Thanksgiving (4th Thursday in November) or Christmas (December 25). During holiday weeks, if your regular collection day falls on or after one of these holidays, your collection will be moved to the next day.

HOLIDAY TREE COLLECTION

For the four weeks following Christmas day, holiday trees will be collected curbside. Trees must be undecorated, unflocked, cut to four-foot lengths with stands removed, and placed curbside next to your compost cart.

SERVICE REQUESTS

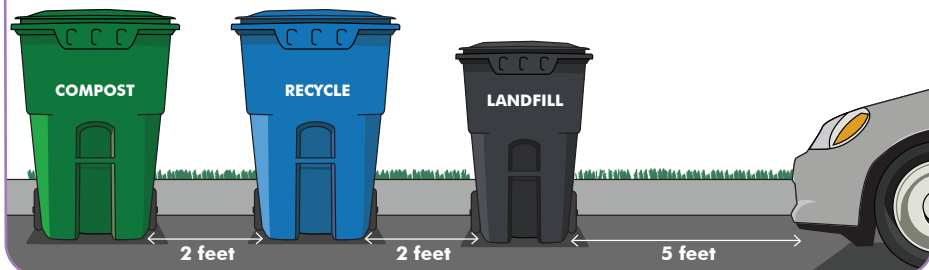

To report a missed pick-up, a broken/damaged cart, to request additional carts, or for any other service-related inquiry, please contact Customer Service.

CART SET-OUT

Place carts curbside before 6 am on your collection day.

- Remove carts from the curb within 24 hours of collection service. We suggest storing carts in your back or side yard.
- Close all lids and please do not overfill containers.
- Place front of cart facing the street with a minimum of 2 feet between carts.

CLEAN UP DAY

REUSE FIRST!

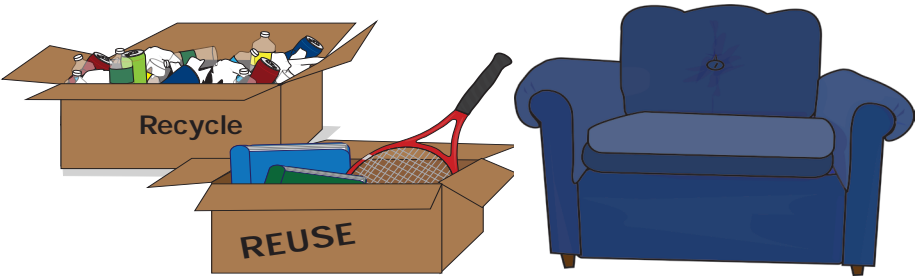

Residents are encouraged to repurpose, repair, and share all reusable items prior to their Clean Up Day. However, GreenWaste has partnered with reuse organizations to try to find new homes for items that are set out in reusable condition. Please follow the Clean Up Day guidelines, as they are in accordance with the needs of our partner organizations.

CLEAN UP DAY GUIDELINES

Residents will receive two Clean Up Days annually for the collection of textiles, up to three (3) bulky items, three (3) individual items, and additional containerized materials separated by material type. Materials in excess of the amount included in the program will be collected at City-established rates. No single item can weigh more than 200 pounds. Detailed guidelines can be found at www.greenwaste.com/PaloAlto/CleanUpDay.

FIND OUT YOUR CLEAN UP DAY SCHEDULE

Residents may visit the Clean Up Day page at www.greenwaste.com/PaloAlto/CleanUpDay to find program details and the Clean Up Day schedule. Customer Service is also available to inform residents of their scheduled Clean Up Day.

DEBRIS BOXES

GreenWaste of Palo Alto offers debris boxes in multiple sizes for construction and demolition materials (C&D), source separated materials, and landfill. Debris boxes can be ordered on an on-call basis or as a scheduled weekly service. Please contact Customer Service to schedule delivery of a debris box that will meet your needs for capacity, type of material, and collection frequency.

BOX CAPACITY	DIMENSIONS	TYPE OF MATERIAL
7 cubic yard	14' x 8' x 2'	Concrete or Dirt only, Tar & Gravel Roofing
15 cubic yard	18' x 8' x 4'	Source Separated, Mixed C&D, Landfill
20 cubic yard	16' x 8' x 5.3'	Source Separated, Mixed C&D, Landfill
30 cubic yard	21' x 8' x 4.5'	Source Separated, Mixed C&D, Landfill
40 cubic yard	21' x 8' x 7.5'	Source Separated, Mixed C&D, Landfill

FOR C&D PROJECTS: The City of Palo Alto requires deconstruction, salvage surveys, reuse, and source separation of materials. Learn more before starting your project at www.cityofpaloalto.org/deconstruction

Please place all compostable materials in your **GREEN** cart.
Consider home composting to conserve water and energy and to reduce waste.

BE WASTE WISE!

- » **Don't waste food.** Make a smart grocery list and buy only as much food as you will eat.
- » **Be mindful of packaging.** Can the packaging be recycled? Is the packaging excessive?
- » **Always seek reuse options.** Make a craft out of boxes and newspapers or donate usable items.
- » **Stock up on reusables.** Water bottles, shopping bags, utensils, and more!
- » **Prevent litter.** Close lids of collection carts and bag items that can fly away (such as small Styrofoam pieces).

HHW (HOUSEHOLD HAZARDOUS WASTE)

CURBSIDE COLLECTION ON CLEAN UP DAY

MOTOR OIL & FILTERS

Used motor oil must be in a clear one-gallon plastic container with a tight fitting screw-top lid. Used oil filters must be in a sealed, clear, tear-resistant bag. Place next to your wheeled carts during your Clean Up Day.

HOUSEHOLD BATTERIES

Household batteries (e.g., AA, AAA, D, nickel cadmium) will be collected when put inside a sealed, clear, tear-resistant bag. Place on top of other Clean Up Day items. No lithium or lithium-ion batteries allowed. Please take these to the HHW Station.

IMPORTANT! Federal Law now requires the battery terminals be taped with non-conductive tape (e.g. electrical, duct, or masking tape) to prevent short-circuiting during transport.

HHW STATION

Palo Alto residents may safely and conveniently dispose of their unwanted or unused toxic household items at the Household Hazardous Waste (HHW) Station.

HOURS

Every Saturday 9am to 11am

First Friday of each month 3pm to 5pm

Holiday Closures: Please call or visit us online to check for holiday closures

ADDRESS

2501 Embarcadero Way, Palo Alto, CA 94303

LIMITATIONS

- 15 gallons/125 pounds of HHW per visit
- Must be a Palo Alto Resident (driver's license or vehicle registration required)

REUSE ZONE

Residents can pick up usable household products such as paints, cleaners, and unused motor oil. These usable items are brought to the HHW Station for disposal by other residents and screened by the City before being placed in the cabinets for reuse.

ACCEPTABLE ITEMS (complete list at www.cityofpaloalto.org/hazwaste)

- Asbestos (friable, wetted & double bagged, two (2) bag limit, 125 lbs. maximum)
- Cleaners
- Fluorescent light ballasts
- Gasoline
- Latex and oil based paints
- Medications (no controlled substances)
- Mercury wastes (e.g. thermometer, switch)
- Needles/syringes (in sealed/rigid container)
- Pesticides
- Propane tanks (BBQ and camp stove styles)
- Lithium and lithium-ion batteries

PHYSICAL LIMITATIONS PROGRAM

Residents with physical limitations can have their HHW picked up at their home for no additional charge.

For additional information, call (650) 496-5910.
