

Zero Waste Facilitators

for Commercial Buildings and Multi-Family Complexes

Zero Waste Facilitators can help businesses and multi-family complexes achieve compliance with Palo Alto’s Recycling and Composting Ordinance. Zero Waste Facilitators can be hired to aid in back-of-house sorting of material, preventing valuable recyclable and compostable materials from ending up in the landfill. Facilitators can reduce contamination in the recycling and composting containers, lower refuse costs, and provide feedback to tenants to improve waste sorting and participation.
