ANNUAL CLEAN-UP DAY

Burbank Sanitary District is pleased to announce that we will be able to provide our annual clean-up day during this COVID-19 pandemic period (with special precautions listed below). Our clean-up day has been scheduled for:

SATURDAY, SEPTEMBER 12, 2020
7:00am to 11:00am (OR until bins reach capacity)

This event is limited to the residents of Burbank Sanitary District only.

RESIDENTS MUST BRING AND SHOW THIS FLYER AS PROOF OF RESIDENCY.
Due to strict adherence to COVID-19 protocols, please expect longer wait times.
This event will be a slower process and service will end promptly at 11:00 am, so plan to arrive early.

SPECIAL COVID-19 GUIDELINES
In order to maintain the health and safety of our residents and GreenWaste staff, the following physical distancing and mask protocols MUST be strictly adhered to:

- Residents MUST stay in their vehicles with windows rolled up at all times.
- GreenWaste staff will unload all material from your vehicle. There will be one staff member per debris box.
- If for any reason, a car window is rolled down, GreenWaste employees and event participants MUST maintain a six-foot distance and MUST wear face coverings.
- GreenWaste retains the right to turn away residents that do not comply with the face mask covering and distancing requirements.
- A six-foot perimeter around the debris boxes will be marked out with tape (for any residents that do not follow the guidelines above, and walk to the event). Depending on the COVID-19 safety precautions taken by the resident, walk-ups may or may not be serviced.
- Staff and/or residents cannot participate if they are experiencing any symptoms of COVID-19. Staff and residents must take their temperature the morning of the event to ensure they do not have a temperature that exceeds 100.4 degrees.

CLEAN-UP DAY DETAILS
Dumpsters will be located at various on-street locations throughout the Burbank Sanitary District. Look for the GREEN and WHITE dumpsters with the name of our garbage company, “GreenWaste Recovery, Inc.” on the sides. As the dumpsters are filled, they will be removed and replaced with new empty dumpsters until the end of the event, OR until we reach our maximum capacity.
PLEASE DO NOT LEAVE TRASH ON CURBSIDE;
PLEAS TAKE IT TO A DUMPSTER.

We CANNOT accept the following items:
- Old Tires (car, motorcycle, etc.)
- Large amounts of concrete
- Tree stumps, dirt or rock
- Hazardous Waste Materials (see back page)

E-WASTE: A separate dumpster will be available for the disposal of Electronic and Universal Waste (TVs, electronics, and computer monitors). The E-Waste dumpster will be located at the Luther Burbank School parking lot. No garbage is allowed in this bin.

Due to COVID-19 safety restrictions, there will NOT be any gardening compost available this year.

NOTE: If you miss this event, GreenWaste offers each residential customer a one-time per year, bulky waste pick-up at their home. Please contact GreenWaste for more details.

Questions about this event? Call: GreenWaste Recovery, Inc. (408) 283-4800 or Burbank Sanitary District (408) 477-7312
Disposal of household hazardous waste and appliances with CFCs at the Clean-Up Day is a violation of environmental laws and is subject to penalties and fines. District residents with household hazardous waste should call the Santa Clara County Hazardous Waste office at (408) 299-7300 for information on proper disposal, or contact GreenWaste Recovery, Inc. for more information at (408) 283-4800.

It is UNLAWFUL to dispose of any hazardous waste such as:
- Refrigerators, freezers, air conditioners, or any CFC appliance
- Household hazardous wastes – pesticides, pool chemicals, antifreeze, paint, aerosols, auto batteries, fluorescent bulbs (including CFLs), gasoline, solvents, adhesives, miscellaneous toxic, corrosive or flammable wastes

Learn how to reuse, recycle, or dispose of items not accepted during the Annual Clean-up Day by calling:

Santa Clara County Recycling Hotline
(408) 924-5453 (English)
(408) 924-5359 (Spanish/Vietnamese)
