STANDARD CURBSIDE COLLECTION SERVICES

Weekly Collection | Customers receive weekly collection service of garbage, recyclable materials and yard trimmings. Monthly rates are based on your weekly subscription level to garbage service and include collection of recyclable materials and yard trimmings in carts provided by GreenWaste. Excess materials or special items must be placed out for collection in accordance with the set-out instructions detailed in this guide.

Garbage | Customers may choose subscription volumes of 20-gallons, 32-gallons, 65-gallons or 95-gallons for weekly collection of garbage in grey carts provided by GreenWaste. To change your subscription volume, please contact Customer Service.

Recyclable Materials | Customers receive one (1) blue 65-gallon cart for recyclable materials for no additional charge. A larger 95-gallon recyclable materials cart is available by request. Additional carts for recyclable materials are available for a monthly cart rental fee.

Yard Trimmings | Customers receive one (1) green 95-gallon cart for yard trimmings for no additional charge. A smaller 65-gallon cart is available by request. Additional carts for yard trimmings are available for a monthly per cart service fee.

Limited Service Program | Limited service may be available to customers that do not need yard trimmings service. Please call Customer Service for more information.

OVERAGES PROGRAM

Garbage and Yard Trimmings | In addition to the standard weekly collection services, customers may request up to four (4) on call “Extra Set Out” collections annually for garbage or yard trimmings, for no additional charge. Any extra garbage and/or yard trimmings placed out for collection beyond the four (4) “Extra Set Out” collections, will be collected and an additional charge will apply. To schedule your “Extra Set-out” collection on your normal collection day or to purchase additional extra collections, please contact Customer Service 24 hours in advance to your normal collection day.

Recyclables | There is no additional charge for extra recyclables set out for collection.

Collection Requirements | Extra materials must be set out as follows:

- Place extra **garbage** in 32-gallon plastic bags next to your garbage cart.
- Place extra **yard trimmings** in customer-provided 32-gallon cans or tied in secured bundles (no larger than 3’ x 3’) next to your yard trimmings cart(s).
- Place extra **recyclable materials** in bags (labeled recyclables) and cardboard in tied, secured bundles (no larger than 3’ x 3’) next to your recyclable materials cart(s).

ADDITIONAL SERVICES *Provided For No Additional Charge*

Bulky-item Collection Program | Customers may request up to three (3) bulky item reuse on-call collection events each year for no additional charge. Each collection event includes up to two (2) cubic yards of reusable materials, five (5) e-Waste items, and three (3) appliances or bulky items. Appliances containing Freon count as two (2) bulky items. Additional bulky items may be collected for an additional charge. No single item may weigh more than 200 lbs., further restrictions may apply. To schedule your bulky item collection, please contact Customer Service.

Household Batteries | Please place your household batteries in a clear Ziploc-type bag and set the bag on top (not inside) of your recyclable materials cart. Batteries accepted curbside include most common household batteries (AA, AAA, C, D, 6-volt, 9-volt, camera batteries, nickel cadmium and lithium ion). Please tape the top of 9-volt rectangular batteries and 6 volt square-base batteries with spring terminals. Button-cell coin-shaped batteries are NOT accepted.

Used Oils | Customers may request Used Oil Recovery Kits and collection of used motor oils and motor oil filters for no additional charge, not to exceed one (1) pick-up per week. Used Oil Recovery Kits will be provided upon request and will only be collected when correctly placed in the containers provided and set out next to the recyclable materials cart on the normal collection day. To request a Used Oil Recovery Kit, please contact Customer Service.

e-Waste Collection | Many small eWaste items are accepted in the recyclable materials cart, as described on page 4 of this guide. Items that do not fit inside the cart and/or televisions, computer monitors and computers that may contain lead and/or mercury, must be collected as a bulky item. To schedule collection, please contact Customer Service.

Holiday Tree Collection | During the first two (2) collection weeks of each year, customers may place un-flocked and undecorated holiday trees curbside for collection on the normal collection day. Trees must be cut into sections no larger than 6' and placed next to the collection carts.

Physical Limitations Program | Customers that are disabled as defined by the Americans with Disabilities Act are eligible to receive collection services at a location other than curbside for no additional charge. To request collection at an alternate location, please download the Physical Limitations Program Application and submit your completed application to GreenWaste Recovery.

ADDITIONAL SERVICES *Additional Charges May Apply*

Off-Street Collection | The standard collection location is curbside for all containers and all material types. Containers that are not immediately accessible by the collection vehicle are considered difficult to service. Collection of difficult to service containers carries a monthly per-container fee, based on the total number of containers issued to be collected at any location other than curbside. To request difficult to service collection, please contact Customer Service.

RECYCLABLES

Place recyclable materials loose inside your recyclable materials cart. All items must fit completely inside the cart with the lid closed.
