COLLECTION SERVICES

Commercial customers in Palo Alto receive collection services for compost, recycle, and landfill. All materials must fit completely inside the container with the lid closed and must be ready for collection at street level or in an area accessible to the collection vehicle no later than 4:00AM.

COMPOST: Compostable materials are collected in **GREEN** containers provided by GreenWaste. Service is available in volumes of 32, 64, or 96 gallon carts or 1, 2, 3 or 4 cubic yard bins.

RECYCLE: Recyclable materials are collected in **BLUE** containers provided by GreenWaste. Service is available in volumes of 32, 64, or 96 gallon carts or 1, 2, 3, 4, 5, 6 or 8 cubic yard bins.

LANDFILL: Garbage is collected in **BLACK** or **GRAY** containers provided by GreenWaste. Service is available in volumes of 32, 64, or 96 gallon carts or 1, 2, 3, 4, 5, 6 or 8 cubic yard bins.

COLLECTION FREQUENCY

All services are available for collection up to six (6) days per week on a Monday through Saturday schedule. Collection does not occur on Sundays.

EXTRA MATERIALS

Call Customer Service to schedule an extra pick-up. Additional charges may apply. Please increase service if you regularly have extra materials.

HOLIDAY COLLECTION SCHEDULE

Collection does NOT occur on New Year's Day (Jan. 1), Thanksgiving Day (4th Thursday in Nov.) or Christmas Day (December 25). If an observed holiday falls on a regular collection day, collection for the remainder of the week will be delayed by one day.

RATES

Commercial customers are billed for waste collection services by City of Palo Alto Utilities on a monthly basis.

CLEANING

Cleaning of collection containers is available upon request for a fee.

SERVICE REQUESTS

If you have questions about your service or any other service-related inquiry, please contact Customer Service.

TECHNICAL ASSISTANCE

GreenWaste of Palo Alto offers free technical assistance to commercial customers. This assistance includes right-sizing containers, help implementing Zero Waste best practices, on-site trainings, and more! For hands-on technical assistance from one of our Environmental Outreach Coordinators (EOCs), please contact Customer Service.

CLEAN UP DAY

REUSE FIRST!

Businesses are encouraged to repurpose, repair, and share all reusable items/furniture prior to scheduling their annual Clean Up Day. Reusing is an essential component of zero waste.

CLEAN UP DAY GUIDELINES

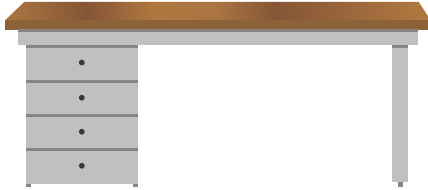

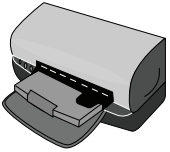

The Clean Up Day program provides businesses with an opportunity to have bulky items picked up curbside once per calendar year. Schedule your Clean Up Day by contacting Customer Service at least one week in advance. You are allowed up to four bulky items (e.g., furniture, mattresses, appliances) with a weight limit of 200 pounds each.

BULKY ITEM COLLECTION

Already used your Clean Up Day? Large items such as appliances or furniture can be picked up curbside any time for a fee. To schedule this service, please contact Customer Service at least one week in advance of your regular service day.

E-WASTE COLLECTION

Small electronic waste items such as a calculator or keyboard, can be placed in your blue recycle container. However, televisions and computer monitors are not accepted and must be collected separately. Large electronic waste items can be picked up curbside as part of a one-time Clean Up Day as a bulky item or can be picked up on your regular service day for a fee.

DEBRIS BOXES

GreenWaste of Palo Alto offers debris boxes in multiple sizes for construction and demolition materials (C&D), source separated materials, and landfill. Debris boxes can be ordered on an on-call basis or as a scheduled weekly service. Please contact Customer Service to schedule delivery of debris boxes that will meet your needs for capacity, type of material, and collection frequency.

BOX CAPACITY	DIMENSIONS	TYPE OF MATERIAL
7 cubic yard	14' x 8' x 2'	Concrete or Dirt only, Tar & Gravel Roofing
15 cubic yard	18' x 8' x 4'	Source Separated, Mixed C&D, Landfill
20 cubic yard	16' x 8' x 5.3'	Source Separated, Mixed C&D, Landfill
30 cubic yard	21' x 8' x 4.5'	Source Separated, Mixed C&D, Landfill
40 cubic yard	21' x 8' x 7.5'	Source Separated, Mixed C&D, Landfill

FOR C&D PROJECTS: The City of Palo Alto requires deconstruction, salvage surveys, reuse, and source separation of materials. Learn more before starting your project at www.cityofpaloalto.org/deconstruction

BE WASTE WISE!

- » **Buy in bulk.** Bulk orders can reduce packaging, which can save you money and reduce waste.
- » **Invest in Zero Waste essentials.** Have reusable items, e.g., cutlery and plates, available to your staff.
- » **Establish a Zero Waste team.** Select a team of employees to help monitor your company's waste.
- » **Host a "What Goes Where" waste sorting training.** Contact GreenWaste of Palo Alto to schedule.
- » **Prevent litter.** Close lids of collection carts and bins and bag items that can fly away (such as Styrofoam).

HAZARDOUS WASTE

VERY SMALL QUANTITY GENERATOR PROGRAM

Businesses and non-profit organizations in Palo Alto that generate 220 pounds or less of hazardous waste per month can participate in Palo Alto's Very Small Quantity Generator Program. This program provides a safe and convenient disposal option for unwanted or unused hazardous items.

CITY DROP-OFF PROGRAM

- Eligibility: Your business must generate 220 pounds or less of hazardous waste per month, or 2.2 pounds or less of Extremely Hazardous Waste per month.
- Drop-off is by appointment only. Appointments occur on Saturdays.
- To schedule an appointment, contact the City's contractor, Clean Harbors.
- An administration and disposal fee is charged based on the type and quantity of waste being disposed.

HOURS

Saturdays by appointment.

ADDRESS

2501 Embarcadero Way, Palo Alto, CA
