⚠ Household Hazardous Waste

String lights are considered Household Hazardous Waste (HHW) and should not be placed in any GreenWaste container. Consider switching to LED lights, which last longer and use less energy.

Batteries, e-waste, light bulbs, paint, motor oil, sharps, household cleaners, and pesticides do not belong in your garbage, recycling, or mixed compostables containers.

To view a complete list of accepted HHW items, and schedule a free appointment through San Mateo County, visit smchealth.org/hhw or call (650) 372-6200.
