

Multi-Family Residential Clean Up Day Program

Property managers can order debris boxes twice per year to collect bulky items for reuse, recycling, or disposal.

To schedule this service, please contact [Customer Service](#).

- Complexes with 11-100 units qualify for one (1) 20 cubic yard debris box for up to four days.
- Complexes with over 100 units qualify for up to two (2) 40 cubic yard debris boxes for up to four days.

Acceptable Items:

- Furniture (e.g., sofas, chairs, tables, cabinets, mattresses, box springs)
- Appliances (e.g., microwaves, stoves, washing machines, dryers, water heaters)
- Bicycles
- Sinks
- Toilets
- Barbeques

**No single item can weigh more than 200 lbs.*

Not Accepted:

- Hazardous waste (e.g., paint, chemicals, pesticides, batteries, oil, propane tanks, etc.)
- Compostable materials
- Garbage
- Liquids

***Complexes with 10 units or less receive the same materials and quantities permitted for one single-family residential Clean Up Day. Property managers can schedule their complex's Clean Up Day by contacting [Customer Service](#) at least one week in advance.*
