Reusable & Recyclable

Wrap Up the Holidays the Earth-Friendly Way!

Give your gifts a little extra love this season by choosing reusable gift bags, fabric wraps, gift boxes, or baskets that can be used again and again. Not only do they look great, but they also help reduce holiday waste! When using wrapping paper, choose plain or recyclable paper wraps whenever possible. While metallic, foil, glitter, and shiny wrapping papers may sparkle, they cannot be recycled and belong in the trash.
