Summer 2024

A Recycling Success Story: Katy's Place

Carmel-by-the-Sea is known for its charm, and welcoming warm community and businesses, like the beloved Katy's Place. Open since 1982, Katy's Place is a local favorite that provides delicious breakfasts to locals and visitors alike.

When it comes to recycling, owner Randall Bernette believes it is important that a business stays consistent and ahead of local and state laws. Katy's Place has been doing its part to properly sort waste material since GreenWaste became Carmel-by-the-Sea's official hauler in 2015. They have switched to reusable service ware, and their to-go ware is BPI certified. He is concerned about the impacts of waste and has taken the initiative to reduce their carbon footprint as a business. They have a 50% diversion of recycling and organics, which continues to improve as new waste strategies are implemented.

Join Katy's Place in becoming more sustainable. Get assistance from GreenWaste to improve your waste diversion efforts. Reach out to Customer Service at 831.920.6707 and ask for an environmental outreach coordinator to create a plan.

Holiday Pickup Schedule

GreenWaste will provide regular collection service on these holidays:

- ★ Independence Day ~ Thursday, July 4, 2024 ★
- ★ Labor Day ~ Monday, September 2, 2024 ★

DELIVER IT

We accept card payments only. Bring your payment to our Marina office
Monday through Friday
8AM-4PM

14207 Del Monte Blvd.
Marina, CA 93933

No Plastic Bags in Recycling or Organics

RECYCLING:

Reduce waste and recycle without bagging in plastic; place recyclable items straight into your recycling container loose, dry, and empty. Why? Plastic bags are wasteful and can jam up the sorting machinery at the Recycling Center.

ORGANICS:

Keep food scraps and plant trimmings loose. Why? Organics are turned into compost and put back into the soil. If you wouldn't want your food grown in it, keep it out of the organics container.

Feed the Soil with Keith Day's Compost!

Transform your landscape with Keith Day's Landscaping Supply. Their premium compost and all-natural forest mulch can enhance your outdoor spaces. Made from organic materials, the nutrient-rich compost promotes healthy plant growth. The local-sourced forest mulch adds natural beauty to your surroundings. Visit www.keithdaylandscapesupply.com to learn more.

Rate Adjustment Reminder

Effective July 1, an annual rate adjustment was applied to your collection services. For more information on annual adjustments please contact us at **831.920.6707** or visit us online at www.greenwaste.com

Green Kids

What can I recycle?

Help Captain GreenWaste by coloring the items below that can be recycled.

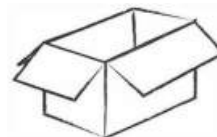

pizza

glass jar

book

cardboard box

coffee filter and grounds

shampoo bottle

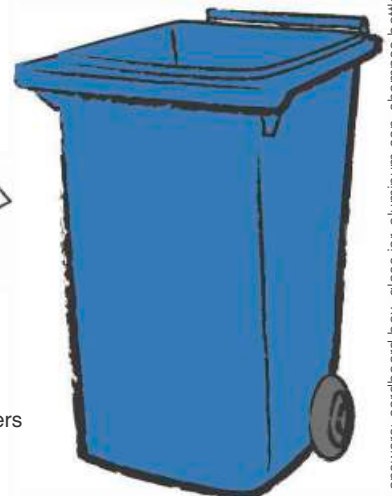

paper towel

aluminum can

flowers

answers: cardboard box, glass jar, aluminum can, shampoo bottle
