Card payments only, accepted Monday-Friday

8 AM-4 PM

14207 Del Monte Blvd.
Marina, CA 93933

@gogwr @greenwaste

Prevent Battery Fires

Batteries and electronics with batteries do not belong in any of your carts or bins. They are considered household hazardous waste and can cause fires in collection vehicles and at the Material Recovery Facility where they are sorted.

Follow these steps to dispose batteries safely:

1) Collect your household batteries, including AA, AAA, C, D, 6-volt, 9-volt, camera batteries, nickel cadmium, and lithium ion.
2) Contact ReGen Monterey at **831.384.5313** or **regenmonterey.org** for information or check drop-off location and hours online.
3) Drop off your batteries for safe disposal and recycling at 14207 Del Monte Blvd or participating hardware stores.

Free Bulky Item Collection

Cleaning or decluttering for the spring? Property managers or authorized users can request up to 3 bulky item pickups per year at no additional charge. Each pickup can include the following:

- 2 cubic yards of reusable materials (boxed or bagged)
- 5 electronic items (televisions, laptops, monitors, etc.)
- 2 appliances or bulky items. Appliances containing Freon (i.e. refrigerators, air conditioning units) count as 2 bulky items.

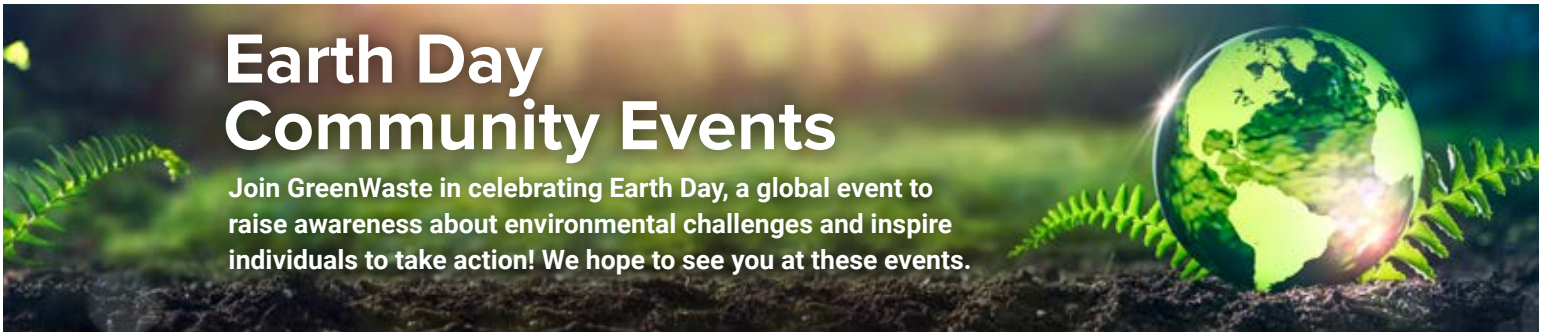
Additional eligible items or collection events may be scheduled for an additional charge. GreenWaste does not collect hazardous waste, auto parts, construction materials or commercial waste. Contact us at **831.920.6707** to schedule your pickup!

Holiday Schedule

GreenWaste will provide regular collection service on

Memorial Day | Monday, May 25

Please set out your containers on your regular collection day by 4 AM.



Earth Day Community Events

Join GreenWaste in celebrating Earth Day, a global event to raise awareness about environmental challenges and inspire individuals to take action! We hope to see you at these events.

Laguna Grande Regional Park – 1259 Canyon Del Rey Blvd

- Performances by Palenke Arts Afro Cuban Drummers, Danza Mexika
- 25+ booths, crafts, free raffle of eco-friendly prizes, E-waste collection stations

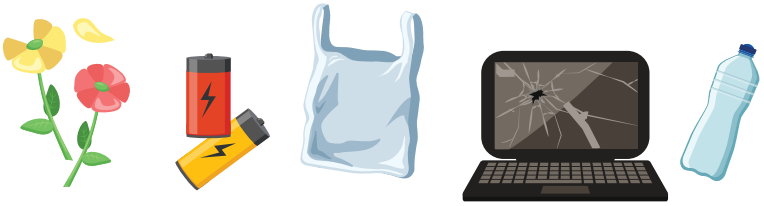
Cardboard Breakdown

Remember to flatten your cardboard before placing it in your blue recycling container(s) to preserve space! As a reminder, cardboard must be unwaxed, clean, and dry to be recyclable. Lids of bins and carts must be completely closed on service day or additional service charges may be applied to your account. Keeping the lids closed reduces litter and ensures safe collection for our drivers. If your recyclables are often overflowing, request an Environmental Outreach Coordinator at **831.920.6707** to help rightsize your services. Our Outreach Team can visit your business to provide informative presentations, offer tailored waste solutions, and distribute educational material.

Green Kids

Help Quokka prevent fires and keep our GreenWaste crew safe by putting waste in the right container!

Draw a line connecting three items to the correct container. Cross out the two hazardous waste items! They don't go in any container.



GARBAGE RECYCLE ORGANICS

Answer Key: Batteries (HHW), Laptop (HHW), Plastic Bag (Trash), Water Bottle (Recycle), Flowers (Organics)

Printed on recycled post-consumer waste paper.
