

Celebrate a Zero Waste Summer

Serve taste - not trash - to your family and friends!

Reduce waste to landfill and switch to reusable for your summer celebrations, backyard BBQs, picnics and outings. Investing just once in a set of packable place settings saves time and money from buying single-use disposables (trash) again and again. Reusable doesn't have to be fancy, just durable, and everything tastes better when it's not served on trash!

For more Zero Waste tips check our newsletters under "What Goes Where & More" at

www.greenwaste.com/santa-cruz-county/

Set a place for reusables at your table instead of serving trash at your next BBQ or picnic.

Zero Waste Party Checklist:

- ✓ Cloth napkins & tablecloth
- ✓ Durable utensils
- ✓ Reusable plates, cups & bowls
- ✓ Metal or bamboo straws
- ✓ Sealable containers
- ✓ Travel bin

Just add good friends & great food!

(No balloons, please!)
